

Shoot Cuba

— COMPANY BROCHURE —

2023

A dramatic sunset over a beach. The sky is filled with dark, heavy clouds, with a bright orange and yellow sun low on the horizon. A long wooden pier extends from the left side of the frame towards the right, ending in the distance. On the pier, there are several thatched huts. A single person is standing on the pier, looking out at the sea. The foreground shows the wet sand of the beach, with ripples and reflections of the sunset.
